VEHICLE ENTRY

GRAB HANDLES

The simplest way to increase safety.

Steel Grab Handles are the cheapest and easiest way to instantly increase the safety of your vehicles. They ensure three points of contact at all times and greatly reduce the possibility of entry and exit injuries. Plus, they are coated in a textured paint that makes them effective in all weather conditions!

THREE SIZE OPTIONS AVAILABLE FOR YOUR VAN

Depending on the need of your fleet, we can accommodate large, medium, or even handheld grab handles for both the side, and rear entry doors.

Available Product* Options

Large Grab Handles

Medium Grab Handles

Small Grab Handles

**Our small grab handles are universal across vehicle makes and models and will require self-drilling for installation.*

CUSTOM BRANDED COLOURS AVAILABLE FOR FLEETS

If yellow doesn't quite match your aesthetic, we offer custom colour options to match your fleet vehicles. Think bright red, orange, blue, or even pink!

PREVENT YOURSELF AGAINST INJURY LIABILITY

At such a low cost, grab handles are the perfect protection against monster litigation expenses. Sometimes safety doesn't need to cost a lot.

GRAB HANDLES FAQ

Why would I add Grab Handles over Factory Solutions?

Grab handles are the cheapest way to instantly improve the safety of your vehicle. With minimal cost, you can greatly reduce the potential for entry and exit injuries, decrease the potential for injury liability, and improve quality of life for your operators. It won't break the bank, but it will improve your fleet.
